BARCODING REQUEST COS MEMBERS

Caboolture Orchid Society will begin using Barcodes on all sales plants in 2021.Barcodes will be provided free of charge to all who sell plants at our shows.

If you intend selling plants at any show, please complete the form below so we can enter your details into COS's barcode database and provide you with barcodes for your sales plants .If you have been allocated a barcode by another society we will provide you with the same Barcode.

It is better to overestimate the number of Barcodes you might require for each amount, but within reason.

Additional Barcodes for registered members can be organised during setup. However if possible we would like to keep this activity to a minimum.

Please hand completed forms to the **Treasurer** at one of our meetings or post to Caboolture Orchid Society PO BOX 549 Caboolture 4510 Qld .or Email to cosinc@outlook.com.au

It would **be** appreciated if this information could be provided 2 Months prior to any show. Barcode Labels will be distributed within the month prior to the show at night and day meetings.

Please contact the **Treasurer** if you have any questions regarding the barcodes
