

BARCODING REQUEST COS MEMBERS

Caboolture Orchid Society is using Barcodes on all sales plants. Barcodes will be provided free of charge to all who sell plants at our shows.

If you intend selling plants at any show, please complete the form below so we can enter your details into COS's barcode database and provide barcodes for your sales plants. If you have been allocated a barcode by another society we will provide you with the same barcode, however, we can supply you with a COS barcode.

When ordering barcodes, it is better to overestimate the number of barcodes you might require for each amount, but within reason.

Please hand completed forms to the Secretary at one of our meetings or post to Caboolture Orchid Society PO BOX 549 Caboolture 4510 QLD or Email to cosinc@outlook.com.au

It would be appreciated if this information could be provided 1 month prior to any show. Barcode Labels will be distributed within the month prior to the show at a meeting.

Please contact the Secretary if you have any questions regarding the barcodes.
