## **CATTLEYA ALLIANCE - (includes inter & intra generic hybrids)**

- A1** Cattleya alliance hybrid exhibition type predominantly White - 110mm or more
- A2** Cattleya alliance hybrid exhibition type predominantly purple or pink - 110mm or more
- A3** Cattleya alliance hybrid exhibition type any other colour/colour combination - 110mm or more
- A4** Cattleya alliance hybrid exhibition compact types 75 – 110mm
- A5** Cattleya alliance hybrid exhibition miniature types less than 75mm
- A6** Cattleya alliance hybrid cluster types - all plants with minimum 5 flowers (Inc. Broughtonia)
- A7** Cattleya alliance hybrid miscellaneous and non-exhibition types
- A8** Cattleya alliance species

## **DENDROBIUM ALLIANCE (see rule 17)**

- B1** Dendrobium spatulata type hybrid
- B2** Dendrobium intermediate type hybrid
- B3** Dendrobium hybrid Latouria
- B4** Dendrobium any other type hybrid (including phalaenanth type Dendrobiums)
- B5** Dendrobium species

## **VANDACEOUS ALLIANCE**

- C1** Vanda -over 75mm
- C2** Vanda -under 75mm
- C3** Any other Vandaceous hybrid
- C4** Vandaceous species

## **PHALAENOPSIS ALLIANCE**

- D1** Phalaenopsis exhibition type any colour including spots or stripes
- D2** Phalaenopsis novelty, or multifloral
- D3** Phalaenopsis- Species

## **PAPHIOPEDILUM ALLIANCE**

- E1** Paphiopedilum exhibition type hybrid
- E2** Paphiopedilum primary hybrid
- E3** Paphiopedilum any other
- E4** Phragmipedium hybrid
- E5** Paphiopedilum or Phragmipedium species

## **ONCIDIINAE ALLIANCE**

- F1** Oncidium species, including Gomesa
- F2** Oncidium hybrid, traditional types
- F3** Oncidium alliance intergeneric hybrids
- F4** Oncidium alliance miniature including Tolumnia

## **CYMBIDIUM ALLIANCE**

- G1** Cymbidium hybrid exhibition type any colour
- G2** Cymbidium hybrid miniature & intermediate type with erect arching/pendulous spike habit
- G3** Cymbidium Species

## AUSTRALIAN NATIVE ORCHIDS - (see schedule definitions 9 & 10)

- H1 Dendrobium species
- H2 Species any other
- H3 Dendrobium hybrid (Including Australian spatulata hybrids)
- H4 Native hybrid any other

## MISCELLANEOUS ORCHIDS

- I1 Any other hybrid 25mm & over in flower size
- I2 Any other hybrid under 25mm in flower size
- I3 Any Dendrochillum
- I4 Any other species under 25mm in flower size
- I5 Any other species 25mm & over in flower size

## FOLIAGE

- J1 Bromeliads
- J2 Tillandsia
- J3 Fern
- J4 Anthurium
- J5 Any other foliage plant up to 250mm high
- J6 Any other foliage plant over 250mm high

## FLORAL ART (see rules 21 to 24)

- K1 Novice Orchid and Driftwood
- K2 Novice Orchid and Ferns
- K3 Open Orchid and Candles
- K4 Open Time

## PHOTOGRAPHY CLASS

## TOPIC: ORCHIDS

- L1 Colour: Single print maximum size 250 x 200mm
- L2 Monochrome: Single print maximum size 250 x 200mm

- All entries must be mounted on black card that is 10mm larger than photo.
- Only the exhibitor's number to appear of the face of the entry.
- Photos must be 250mm x 20mm (10" x 8")
- Frames or glass mounted prints will not be eligible.
- Entries to be submitted by 3.30 pm Thursday 22<sup>nd</sup> July 2021.
- **All entries must be original, not photocopied nor a reproduction.**

## NOVICE GROWERS SECTION

- M1 Orchids (Open to Caboolture Orchid Society members only)

## SOCIETIES, PLEASE NOTE AND ADVISE YOUR MEMBERS:

**The SHOW MARSHALLS are the only persons permitted to rearrange a section or move another exhibitor's plant.**

## SCHEDULE RULES AND CONDITIONS OF ENTRY

1. Entries are free and open to all financial members of societies affiliated with the Subtropical Orchid Council of Queensland Inc. or organisations invited by Caboolture Orchid Society Inc.
  2. All exhibits must be completed, and plants tabled by the time specified on the front of this schedule.
  3. All plants in the show will be eligible for a prize except where they are clearly marked to the contrary (by a special coloured label indicating a non-competitive exhibit).
  4. All plants must have been owned by the exhibitor for at least **six months** prior to the commencement of the show
  5. All plants must be in show bench condition free from pests and disease
  6. All orchids must carry a securely affixed label as close as practicable to the flower showing the name of the orchid printed in accordance with the current edition of the I.O.C. Publication, "The Handbook on Orchid Nomenclature and Registration". Labels must be readable at a distance of two metres.
  7. All plant labels being hybrid or species will only have the plant name **NO VARIETY and or AWARDS to be shown**. For example, Den Pink Doll only **NOT** Den Pink Doll var "Fragrance" HCC/AOC etc. Only plants with their registered name only on the label will be judged. **NO EXCEPTIONS.**
  8. The only flowering plants other than orchids permitted in the Show are Anthuriums and Bromeliads.
  9. The Caboolture Orchid Society, its agents, or the owner of the show venue, will accept no responsibility for theft, loss, destruction, or damage of any kind occasioned to plants, either during transport to and from the show venue or while at the show venue.
  10. No plant or plants may be removed from the show (except for judging purposes until the official conclusion of the Show. If special circumstances arise requiring removal of a plant or plants consent must be obtained from the Show Marshalls before so doing.
  11. A flower or flowers missing from an inflorescence will disqualify only that inflorescence provided that the missing flower or flowers are tabled on the pot with the plant.
  12. A minimum of 50% of buds on an inflorescence must be fully opened before it is eligible to be judged unless it is the nature of the plant to flower progressively.
  13. All First Prize winners will be eligible for judging selection of the Champion orchid. After selecting the Champion, the Second Prize Winner in the Champion's Class will be eligible for the selection of Reserve Champion.
  14. Any questions on the Schedule, conditions of entry, definitions, classifications, or interpretations requiring a ruling will be answered by the Show Marshalls. All decisions give shall be binding, final and not negotiable. **The SHOW MARSHALLS are the only persons permitted to rearrange a section or move another exhibitor's plant.**
  15. The Show will be judged by panels of AOC judges who belong to S.T.O.C.Q. Inc. Societies.
  16. Each orchid will be judged in one general class only.
  17. Plants judged in Classes B1 and B2 must have at least one (1) exotic species in their parentage.
  18. Staking and tying to display the inflorescence to its best advantage will be permitted, but if in the opinion of the judges this is considered to be excessive the judges have the right to ask for the ties to be removed to what is considered by the judges to be an acceptable level.
  19. If there are less than two plants in a class, they may be incorporated into another class
  20. If there are sufficient entries (minimum of 5 plants) in an unspecified class, the chief steward may create a separate category for judging
- Floral Art**
21. Floral Art Classes will be judged on colour, harmony, relationship between plant material and container, design, distinction or originality, condition of plant material and interpretation of theme.
  22. An exhibitor may win the Floral Art Novice section (3) times before entering the Open Section.
  23. Accessories (anything in arrangements other than plant material, container, background or base) are permitted in all informal Arrangements.
  24. Flowers other than orchids may be used in all Floral Art Classes.

## SCHEDULE DEFINITIONS

1. Alliance - Genera of orchids which interbreed with one another either in pairs or multiple combinations.
2. Exhibition (type 110mm & over) – indicates flower characteristics that are to be generally as described in the A.O.C. “Standards for Judging”.
3. Compact Cattleya – an intra or inter generic Cattleya alliance hybrid possessing exhibition characteristics and being bred to have a reduced flower size which should be less than 110mm – 75mm while the habit of the plant may be compressed or reduced in size.
4. An intra or inter generic Cattleya alliance hybrid being multi-flowered and brightly coloured with no particular emphasis on shape to include Epidendrum and Broughtonia, etc.
5. Miniature Cattleya – an intra or inter generic Cattleya alliance hybrid possessing exhibition characteristics but miniature in flower size and growth habit. Flower size should preferably be less than 75mm.
6. Cluster Cattleya – Exhibition shape and must carry a minimum of five (5) open flowers to be eligible for a prize.
7. Spatulata type Dendrobium – Dendrobiums bred from species within the Spatulata section of the Dendrobium genus.
8. Intermediate type Dendrobium – Hard cane Dendrobiums having petals, which are generally elongated, and which may or may not be twisted.
9. Australian Native Orchid or Species – includes all species indigenous to the Australian politically controlled states and islands but excludes natural hybrids (as per A.O.C. “Standards for Judging”).
10. Australian Native Hybrid – is the resultant progeny cross or crosses having only Australian native orchid species in its ancestry.
11. Specimen plant – A mature plant developed from a single clone showing evidence of good cultivation over an extended period. The plant must be owned by the grower for a minimum of 2 years.
12. Height of plant – The height measured from the top of the pot to the top of the plant’s vegetative growth.
13. Inflorescence – A single flower stem with its flowers and buds.

**SHOW MARSHALLS** - Geoff Button, Vic Wilson

**COS PRESIDENT** - Fran McCoy
